Once again great job to everyone, this past month we lost a great member and a great friend, Al Manzella was a man of great character as well a man of great stories. The Chiefs office wants to thank the entire membership for coming together for Al. He will be missed.

We also had a great showing at the St Patrick's Day Parade. Even though the weather was not the best we all enjoyed ourselves. The Chiefs office wants to thank the BOD for providing the food as always it was great. Let's keep it going.... THANK YOU!

-Felix Rodriguez 1st Assistant Chief @ BSBRA

2nd Assistant Chief Brian Stevens # 32

Hey guys,

Just a couple of quick things, please make sure you are keeping up to date with the monthly trainings. It's getting to that time of year where if you're thinking of running for a position next year, you need to make sure you are eligible. Any questions pertaining to training eligibility, I will be glad to answer. I promise as the weather gets nicer out, the trainings will be more hands on and less classroom sessions. Please make every effort to attend.

Anyone interested in a crew chief training, please contact me directly so I can start a list and get a class together.

We have been getting a lot of calls lately and I would like to thank the entire membership on getting them out. Thank you and keep up the good work.

-Brian Stevens 2nd Assistant Chief @ BSBRA

3rd Assistant Chief David Kwok # 33

Great job to everyone,

Just one thing, when we get activated for a Violence in progress the crew must put themselves on a 9 via either the radio in dispatch or by telephone. After the crew is on a 9 the crew is to standby in HEADQUARTERS not in the area. The only way to be cleared to go to the scene is if MEDCOM notifies the crew it is safe to go in. Listening to the PD radio does not count as a verification for it to be safe. At the end of the day we want all our members to return to their families alive and in 1 piece.

SATURDAY Joseph Frisina #56

I first would like to apologize for not being at the general meetings. I work regularly on Monday's making it impossible for me to attend. I don't have much to report for this month. Thank you to everyone who comes down on Saturday to help out. If anyone needs help getting precepted or driver trained please don't hesitate to come down. Within the next couple of weeks, we are going to begin cleaning out the bays and waxing the floors. With that being said, I'm asking for your assistance. If you see anything that can put away or put back into the shed please do it. It's usually an all-day event cleaning out the bays. I will have a chief send out an email with a date if you're willing to help. Any help is always appreciated.

There seems to be a regular miscommunication about vehicles being out of service. If you take a vehicle out of service for whatever reason; please make sure you let someone know and place an out of service sign on it. Communication goes a long way and makes everyone's life easier.

Anyone who is interested in playing beach volleyball, please take a look at the sheet outside of dispatch. We did it a couple of years ago and it was a great time. If you have any questions please see me or Captain Lutz.

As always, if you have any questions feel free to reach out to me.

Joe Frisina Captain #56 * jfrisina@bsbra.org

Common courtesy call to your captain of the day

We are seeing a rash of last minute call in's, no show-no calls, and members who consistently run late to their duty tours without any notifications to the Captain of the Day. We would like to remind the membership that a call just to give the Captain a heads up would be appreciated as they would be able to help cover that portion of the tour.

For the last minute call in's, it would be common courtesy to give your Captain an ample amount of time to assist in finding coverage. You might be asking yourselves, "What is an ample amount of time?" We are asking that you give a minimum of SIX (6) hours notice. Most people know (in the working world) that they will be calling in within at least that amount of time whether they be sick or just need a mental health day. We feel that the same applies for the volunteer world. We understand that things happen, however, calling in 15-20 minutes after your tour does not help us. We can't even find paid coverage in that time, let alone volunteer coverage. Please have the common courtesy to help the organization.

As far as no show-no calls, we can advise that this is totally unacceptable and it is spoken about way to often in meetings.

Members are also reminded that if you have a regular duty slot and you cannot make it, you are to contact the Captain and try to fill your spot. (as per the SOP's). You are responsible for your duty slot, regardless if you are a probationary member, dispatcher, EMT or Driver.

These situations apply to all members, probationary and badge, call-in to interim. When you commit to a slot or to help out someone, please do it. You are giving your word that you will help them out. Should you have any questions in regard's to these requests, please see a Chief.

On behalf of the BOD, Bill Froehlich @ bsbra

- 4. Please support our Youth Squad, Sunday, May 17th for the pancake breakfast. Mark your calendars.***
- 5. Members are reminded to review our Social Media Policy.
