BSBRA SIGNAL 19

“and the following messages”

Your arms were always open when I needed a hug.

Your heart understood when I needed a friend.

Your gentle eyes were stern when I needed a lesson.

Your strength and love has guided me and gave me wings to fly.

To all the mothers I know, may God bless you and keep you. Sons and daughters, can never do enough to thank you for the blessing of life you've giving us. Thank you for being a Mom!

I also would like to thank all those members that kindly come out to help me during the day time. Keep up the good work

Lets keep the building clean, is not that hard, I'm not asking to clean someone else mess, just clean your own.

Please bring your family and friends to the Annual Youth Squad Pancake Breakfast on May 17th, 2015. Time 0900-1200 hours, I am very sure you will have a great time among the other wonderful families.

Thank You so much!

Common courtesy call to your captain of the day

We are seeing a rash of last minute call in's, no show-no calls, and members who consistently run late to their duty tours without any notifications to the Captain of the Day. We would like to remind the membership that a call just to give the Captain a heads up would be appreciated as they would be able to help cover that portion of the tour.

For the last minute call in's, it would be common courtesy to give your Captain an ample amount of time to assist in finding coverage. You might be asking yourselves, "What is an ample amount of time?" We are asking that you give a minimum of SIX (6) hours notice. Most people know (in the working world) that they will be calling in within at least that amount of time whether they be sick or just need a mental health day. We feel that the same applies for the volunteer world. We understand that things happen, however, calling in 15-20 minutes after your tour does not help us. We can't even find paid coverage in that time, let alone volunteer coverage. Please have the common courtesy to help the organization.

As far as no show-no calls, we can advise that this is totally unacceptable and it is spoken about way to often in meetings.

Members are also reminded that if you have a regular duty slot and you cannot make it, you are to contact the Captain and try to fill your spot. (as per the SOP's). You are responsible for your duty slot, regardless if you are a probationary member, dispatcher, EMT or Driver.

These situations apply to all members, probationary and badge, call-in to interim. When you commit to a slot or to help out someone, please do it. You are giving your word that you will help them out.

Should you have any questions in regard to these requests, please see a Chief.

On behalf of the Chiefs Office, Bill Froehlich Chief @ bsbra

Chief Gerald Guszack: An Outstanding Member

Gerald Guszack has been a member at the Bay Shore Brightwaters Rescue Ambulance since the year 2005. He has officially been a member for 10 years this past March. Gerald, as most as you may know, is the Chief of BSBRA. Gerald started volunteering after 9-11, He had a feeling that he wanted to do more to help and make a difference in peoples lives. Gerald was inspired by the State Of the Union Address from George W. Bush. Bush spoke about “being a part of something bigger than yourself” which simply means you should engage in activities that will help others and make a difference. After joining BSBRA Gerald got the fulfillment he was looking for, and truly felt that he was making a difference.

In his first year of being in BSBRA he was able to become an EMT. The following year, in 2006 he became a Captain and served in that capacity for two years. In 2009, he became the 3rd Assistant Chief, a role he fulfilled until the year 2014. In 2014 he became the 1st Assistant Chief. Finally, in 2015, he rose to become the Chief of BSBRA. As Gerald says, “There are two types of people who want to become chiefs. There are ones that do it for their own personal gain. Then there are others who do it to follow their sense of duty, which can take them to the position of Chief.” Gerald decided to run for the position of chief because he felt moving into that position was what was needed for the organization. Some advice from Gerald about

becoming an EMT is “Don’t be afraid to be it, because it is not as scary as people think.” Gerald also says, “I can’t imagine not being an EMT. I can’t see myself not having the credentials to be able to provide help to people.” There are many great aspects of being the Chief, but the best part as Gerald points out “Is the feeling of pride I get when I respond to a scene or attend an event that the department is involved in, and how everyone is impressed about the organization’s department.” Something he would change about EMS is the lack of recognition from the public for the work and service they provide. “Specific improvements to the department are hard to define,” he says.

“Changes to improve things constantly evolve, there are many people involved with making improvements happen. Improvements we do have in the works now are a new dispatching system, enhancements in ALS (advanced life support), capabilities for controlling airways, new electronic personal tracking system, and new cutting edge CPR devices.”

There are many moments that Gerald is proud about in his 10 years at BSBRA but Gerald’s top ones are becoming an EMT, winning New York State EMS Agency Of The Year, winning National EMS Agency Of The Year, and being upstate watching the Bay Shore Brightwaters Rescue Ambulance’s Youth Squad win their awards during states. But overall he says, “I’m proud to just be a member in this department, and everything it has been given to me and I’m proud of it every day.”
