Anniversary

BSBRA SIGNAL 19

“and the following messages”

Dear Members,

As you all may know, this edition marks the 4th Anniversary of the Signal 19. The past 47 editions have been filled with what we hope have been the most up-to date information and has been successful in keeping our members informed.

The Signal 19 has been composed and Edited by Capt. John Martinez over its tenure. He has done a great job tracking the officers down to submit reports and has been extremely instrumental in its success. We thank John for all of his hard work, and hope he continues to get the information flowing!

However, the Signal 19 can only continue with constant submissions from all of the Officers as well as the Committees. So please submit what you can, regardless of content to Signal19@bsbra.org by the 25th of each month. And as always, should anyone like to be on the committee itself, please contact Capt. Martinez.

Once again, congratulations on 4 years of informative reporting, and keep up the great work!

Respectfully,

Bill Froehlich Ex-Chief Board of Director, Secretary

1st Assistant Chief Felix Rodriguez # 31

Captain's Reports

MONDAY Dana Dequatro #51

Mondays are busy. Mondays are not easy. There are no "easy" days in Bay Shore. BSBRA is one of the top 5 busiest districts on Long Island. Historically speaking, Mondays tend to be a bit busier than other days and that is why I want to thank the steady Monday crew, all those who have come down to help out and listened up on Mondays and the Monday paid staff. They are a special breed who are humble, dedicated and have a deep sense of community service. I do want you all to know how appreciative I am of your help and support over this past month. You are precious to me. Your service and dedication to the communities of Bay Shore and Brightwaters is priceless. I have always maintained and firmly believe that it is an honor and privilege to be a member of Bay Shore Brightwaters Rescue Ambulance. Stay Safe

-Captain Dana Dequatro

TUESDAY William Lutz #52

Tuesdays' are going well, I still need help from midnight to noon when it's usually lighter on crews. It would be great to get a permanent overnight and morning crew to help out with the increasing morning call volume. Thank you to everyone who has been down to help out throughout the day. We appreciate all the help.

_Captain William Lutz

WEDNESDAY John Martinez #53

I want to start by congratulating my former Youth Squad students for their great accomplishment on graduating from EMT class, great job! I could not be more proud of. Alyssa Rodriguez, Anthony Geritano, Pablo Martinez, and the other young members of this great department, also included in this batch of EMTs is Eddie Guidice, Kim Ruiz, and Big man Byron.

To the rest of members of this department, Thank you for going out of your way to help on Wednesdays, it has been really busy and without you this department will not function, Great Job!

Please keep the building clean, pick up after yourselves and help all those new probies coming in. They are an important part of your crew.

Have a beautiful summer and please Don't drink or text and drive!

-Captain John Martinez

Common courtesy call to your captain of the day

We are seeing a rash of last minute call in's, no show-no calls, and members who consistently run late to their duty tours without any notifications to the Captain of the Day. We would like to remind the membership that a call just to give the Captain a heads up would be appreciated as they would be able to help cover that portion of the tour.

For the last minute call in's, it would be common courtesy to give your Captain an ample amount of time to assist in finding coverage. You might be asking yourselves, "What is an ample amount of time?" We are asking that you give a minimum of SIX (6) hours notice. Most people know (in the working world) that they will be calling in within at least that amount of time whether they be sick or just need a mental health day. We feel that the same applies for the volunteer world. We understand that things happen, however, calling in 15-20 minutes after your tour does not help us. We can't even find paid coverage in that time, let alone volunteer coverage. Please have the common courtesy to help the organization.

As far as no show-no calls, we can advise that this is totally unacceptable and it is spoken about way to often in meetings.

Members are also reminded that if you have a regular duty slot and you can't make it, you are to contact the Captain and try to fill your spot. (as per the SOP's). You are responsible for your duty slot, regardless if you are a probationary member, dispatcher, EMT or Driver.

These situations apply to all members, probationary and badge, call-in to interim. When you commit to a slot or to help out someone, please do it. You are giving your word that you will help them out.

Should you have any questions in regard's to these requests, please see a Chief.

On behalf of the Chiefs Office, Felix Rodriguez, 1st Assistant Chief @ bsbra

VOTING PROCEDURES

Voting is outlined in Roberts Rules of Order, 1990. In order to be elected, each candidate must receive majority vote. Majority is defined as 'more than half'. As a member in good standing, you are entitled to vote either 'Yes, No or Abstain' on each position. Abstaining from a vote is defined as 'refusing to vote on an issue and will be considered a null vote'. This action does not go towards the 'Yes or No' vote.

Example:

100 members were entitled to vote but 15 did not cast a ballot. Of the 85 votes cast: 75 were legal votes and 14 were abstentions. The Majority is any number larger than one half of the total of legal votes cast - blank votes cast.

Of the 85 Votes Cast by members entitled to vote, (75 valid) - (14 abstentions) = 61 Votes Cast. One half of 61 Votes Cast is 30.5. Majority is 31 votes...."

** Please note that you must only vote for **ONE** candidate for each position with the exception of Captain.

When voting for the position of Captain, you may choose up to 7 candidates. (one candidate for each day of the week). Any ballot with more than 7 individuals chosen will be found invalid. If you have any questions in regard to voting please contact any member of the Election Committee. If you have questions in regard to your voter eligibility, please contact any member of the Eligibility Committee.

KERRI PAOLETTI an outstanding member at BSBRA

Kerri Paoletti has been volunteering at the BayShore Brightwaters Rescue Ambulance for 6 years now. She also works for the Exchange Ambulance, and the Islip Terrors Fire Department. Kerri decided to start working with EMS because she was applying for Nursing School and she needed to take Prerequisite Classes and one of her teachers in her class recommended to go ride on the ambulances, and Kerri always wanted to ride on them so she decided to try it out.

Her favorite part about being in BSBRA is hard to point, she says. “there is so much love, and this is the best organization out there and other organizations don't get what we have.” She also says. “we always come together when one of us are in need which is important also.”

In the years 2013-2014 Kerri was the Captain for the Tuesday Crew for 2 years, however since 2011 she is currently a Crew Chief and she also does the Probie Trainings. When Kerri first joined BSBRA her first thoughts were “what am i doing here?” she says; “[she] felt out of place, and didn't feel welcomed until [she] found the Tuesday Crew and [she] felt accepted.” Kerri also points out that, “[she] doesn't want anyone to feel like that, so [she] tells the Probies to come to [her] about anything if they don't feel comfortable.” She also adds. “[she] doesn't want to lose any new people to a misunderstanding.” Advice she'd give to someone wanting to become an EMT is to first, GO FOR IT!, second STUDY!, and finally don't be afraid to do the right thing. She also says; “have confidence even when you don't have any, and although it's not a easy job at times it's worth it.” If Kerri had the ability to change something in EMS in general it would be communication, because “on a major call there is a lack of communication and too many people try to run the scene which leads to confusion and chaos but if we communicated differently we could avoid that.”

Her most memorable call was one that came in as a “Bravo Falls.” She says, “ALS was on scene first, and there was a girl outside crying saying. ‘my mothers dead’ and [she] remember saying, ‘okay let me go see what's going on’ and when [she] walked up the stairs ALS jumped out and said, ‘it's a Cardiac Arrest get the stuff.’” Kerri says. “that's when [she] learned to never take any priority call for granted.”

Some of Kerri's proudest moments were when BSBRA's Youth Squad won the Championship at States this past year, every Parade she marches in, and she also says. “the little moments when people thank us for what we do.” Some plans Kerri has for herself at BSBRA are her running for the 32 Position Training Chief this upcoming year; and to get more involved, more realistic trainings in the future and retain our members at a higher rate. But overall she says. “ at the end of the day we are still here for the same reason. We want to help others and we are all good people here.” She also adds. “we may not all get along, and we may have our differences but at the end of the day we always get the job done and that's what makes BSBRA special to me.”
