

Happy New Year

2017

# BSBRA SIGNAL 19

“and the following messages”

## January...

*Many consider it as a new beginning and motivate themselves to do better this time in life. People recollect the lessons that they learnt all the year long and move forward in life with what life thought them. They recollect the experiences and the circumstances they were in and what they learnt from them. Entering New Year is just like a taking a new and totally unknown adventure. It is a well-known fact that life is unpredictable. It is a journey that everyone has to take and travel. It teaches us the do's and don'ts of life.*

*Happy New Year 2017.*

## Chief Felix Rodriguez # 30

***As we close out the year, I look back at what has transpired and it's comforting knowing that no matter what this organization goes through, we always come out on top and always manage to stick together. We had great times at the fishing trip, REMSCO Dinner, playing flag football, Christmas Party, Santa Run, our yearly Installation Dinner and most important for me, sitting down with the different crews and just sharing a good laugh. Like we always say, we want to see everyone attend these activities. This organization is home to a lot of us and a place where we can get away from our normal lives and just go out there and just help someone in need. I can personally say that it's humbling being able to lead such great people and great officers for another year. I would like to wish the entire membership and Happy and Prosperous New Year. FUNDRAISING - We had one of our most successful fund drives this year when we did the Craft Fair at Bay Shore High School, but we need to keep it going. We will be having our first fundraising event on January 27th. We will be hosting another Pain Night and we need to sell out these tickets. So please put the word out there to family and friends and post it on social media. As an organization we put a lot of our free time into this organization, but I need just a little bit more and let's promote these fundraisers. Successful fundraisers are important for us, it gives the department leadership the ability to be able to give back to all of you guys for the time you give us.***

***Happy New Year and God Bless.***

***Felix Rodriguez  
Chief of Department  
Bay Shore Brightwaters Rescue Ambulance***

# 1st Assistant Chief Joseph Frisina # 31

***Members,***

***First, I would like to wish all of you and your families a happy and healthy holiday season. This year has brought many challenges to the department both internally and externally. I am proud to say that we overcome every challenge that has faced us. There is a clear reason our Department was agency of the year on the State and County level.....our membership. We are second to none. Thank you for dedication each and every day.***

***As we go into 2017, I wish all of our members, their families and our paid staff a happy and healthy new year.***

***I only have one thing that needs to be addressed this month. Unfortunately this may sound harsh to some but it needs to be said. The Chief's office has spent hours upon hours dealing with issues that we should not be dealing with in the first place. It has completely hindered our operations and it must end immediately. There seems to be regular conversations among groups of members regarding the lives of other members. There are also some members who insist on stirring the pot and talking about issues in which they have no business being in. Not only is it childish but it is taking away from our mission. When you enter through the door at HQ, your focus should be on the patients that call upon us for assistance. That's it. The Chiefs Office has and always will have an open door policy. If you have any questions or need clarification, please do not hesitate to reach out to us.***

***Looking forward to working with all of you in 2017.***

***Be safe.***

***Joseph Frisina  
1st Assistant Chief of Department  
Bay Shore Brightwaters Rescue Ambulance***

# Common courtesy call to your captain of the day

We are seeing a rash of last minute call in's, no show-no calls, and members who consistently run late to their duty tours without any notifications to the Captain of the Day. We would like to remind the membership that a call just to give the Captain a heads up would be appreciated as they would be able to help cover that portion of the tour.

For the last minute call in's, it would be common courtesy to give your Captain an ample amount of time to assist in finding coverage. You might be asking yourselves, "What is an ample amount of time?" We are asking that you give a minimum of SIX (6) hours notice. Most people know (in the working world) that they will be calling in within at least that amount of time whether they be sick or just need a mental health day. We feel that the same applies for the volunteer world. We understand that things happen, however, calling in 15-20 minutes after your tour does not help us. We can't even find paid coverage in that time, let alone volunteer coverage. Please have the common courtesy to help the organization.

As far as no show-no calls, we can advise that this is totally unacceptable and it is spoken about way to often in meetings.

Members are also reminded that if you have a regular duty slot and you can't make it, you are to contact the Captain and try to fill your spot. (as per the SOP's). You are responsible for your duty slot, regardless if you are a probationary member, dispatcher, EMT or Driver.

These situations apply to all members, probationary and badge, call-in to interim. When you commit to a slot or to help out someone, please do it. You are giving your word that you will help them out.

Should you have any questions in regard's to these requests, please see a Chief.

On behalf of the Chiefs Office, Felix Rodriguez Chief @ bsbra

# Captain's Reports

**MONDAY Dana Dequatro #51**

***Wishing you all and your families a happy, healthy, exciting New Year.***

***Dana DeQuatro Monday Captain 51***

**WEDNESDAY Ed Trevino #52**

***Wednesday's are doing very well. I'd like to personally thanks all the members who have stepped up to help the day out. Your commitment is incredible and truly appreciated.***

***Please remember to dress appropriately for the weather. Rig checks must be completed and rigs must also be cleaned. Each day has a vehicle assigned. If you need to know what vehicle your day has, please feel free to contact myself or any of the officers.***

***We stress it enough, but please use due caution while driving any BSBRA vehicle. This includes responding to alarms. The safety of you and your crew comes before anything else. With that said, should any member need driving precepts or BLS precepts, please come down. I will make sure you get the precepts. Even if that means I have to come to your tour to help get you cleared. We will work it out.***

***Continue to show why BSBRA is the best of the best! Watch each other's backs and provide quality care. Stay safe and if any member needs anything, please feel free to contact me.***

***Ed Trivino Wednesday Captain 53***

## THURSDAY Kerri Paoletti #54

***I would first like to thank everyone who came & helped out with the Annual Holiday Party!!! It was a huge success & we had an incredible time!!***

***Next, I would like to thank those of you who take your time to help out on Thursday's. Having a rotating shift is incredibly frustrating as I cannot always be there. However, I am always placed at ease that you guys are getting the calls out! With that being said, crews are light from 0000-0600, and 1200-0000. If you are looking for a new duty slot, or are looking for some extra ride time, Thursday's are a great choice! (Actually any day is a great choice, but Thursday's need you too!!)***

***Lastly, I would encourage you to believe more of what you see & less of what you hear. Just because someone has a grudge against a member, doesn't mean you need to either. Form your own opinions, don't go basing negative opinions about anyone based on another person's experience.***

***I wish all of you a very healthy, a very happy, and a very prosperous New Year!! May 2017 bring you all you desire! 😊***

***Kerri Paoletti Thursday Captain 54***

## FRIDAY Steven Cameron #55

***Happy new year everyone,***

***Now that the holidays are behind us I hope everyone had a great time with friends and family, as we get deeper into winter it's going to get colder so remember to bundle up and take care of yourselves so we can be ready to take these calls. Please make sure that the ambulances are all stocked with blue blankets and that they are BROUGHT BACK from the hospital to be washed. Each day should have a representative from the BLS restock committee on it now so if any supplies are low please reach out to that individual or the captain of the day so we can stay on top of inventory. As far as crews I'm still light from around 1100-1700 so if anyone is available to come down any help is appreciated. Also please remember to restock the ambulances immediately after a call so nothing is missing. Lastly if anyone is using any bay shore vehicle and it is below a half tank of gas please refuel it before returning it, the past few weeks the responders have been returned very low on fuel, we have access 24/7 to the pumps in bay shore so this should not be happening. Thank you all for everything you do and here's to a great 2017!***

***Steven Cameron Wednesday Captain 55***

## SATURDAY ANTHONY GARCIA #56

***Good day everyone,***

***The Turkey Bowl against Exchange Ambulance was awesome, those who played looked great and those who cheered were fabulous as always. A special shout out to Saturday's Top players Crew Chief Holly Maiforth and Paramedic Steve Fishman getting multiple jobs out during the game. Your hard work doesn't go unnoticed!***

***For those that were at the Friday night Christmas decorating party and the Christmas Party I hope you all had fun, I sure did! It was great to see those that attended and if you didn't I hope to catch ya at the next event! Shout out to Ma and the Saturday Crew for also adding her touch of decor to the dispatch office.***

***With winter now upon us, please remember to dress warm, especially for anyone performing overnights. Also, please make sure there are proper linen on each ambulance and make sure the heat is on in the box for receiving patients. If you don't know how to adjust the temperatures in the box, just ask someone. Please also be safe in your responses to alarms, be mindful of other drivers and weather conditions. Don't force people off the roadways.***

***When it comes to the vehicles, make sure you refuel them. Don't leave other days with vehicles below a half tank. If you use a car and/or rig, monitor it's fuel status and if needed fill it up here in bay shore. If you don't do rig checks, we're all guilty of it, at least make sure nothing is expired in the vehicle you're in.***

***For our Saturday peeps they're doing an amazing job, as always. Continuously striving to answer any alarms without any signal 3's blown. True heroes if ya ask me. To those that continuously make guests appearances, thank you for your support to the day.***

***May I wish everyone a safe, healthy and happy Christmas and New Year. For those working, TYFYS.***

***Anthony Garcia 56***

# BSBRA BOD Announcements

**Members,**

**As we are starting the New Year, I wanted to take this as an opportunity to send various important documents. Please save this email for future reference. Attached is our Social Media Policy, our Harassment/Discrimination Policy (that was presented and discussed at length at our December 2016 GM) and a new Workers Comp/Injury worksheet. Please read and become familiar with these policies and procedures. Attached to each policy is the necessary paperwork for all claims. It is our responsibility to handle and investigate all issues in a quick and timely manner. These forms will help streamline the process immensely.**

**Additionally, I have included PDF versions of our Organizational Bylaws and Standard Operating Procedures. These are also available on our web sight- [www.bsbra.org](http://www.bsbra.org), in the 'members only' section.**

**I would also take this moment as a refresher of our Mission Statement and Vision: To deliver leading edge emergency care to all regardless of age, race, religion, or socioeconomic standing; to respect every individual without prejudice; and be sensitive to our great cultural diversity. To respect the integrity and dignity of our patients and their families. To nurture an environment of personal growth through educational opportunities and training. To value each others level of expertise and respect their contributions to the patient care. To protect and promote the highest level of professionalism at all times. And to serve as an indispensable resource to our community.**

**This is important for me to share with you- because it is not only is it WHAT our organization does but it is WHO we are. It is also important to know that we cannot support our community, without supporting each other. 2016 was a long year, with the highest of highs and the lowest of lows. Take a moment today and reflect upon both our achievements as an organization but also our failures. If you look closely enough, you will find growth in both aspects. As always, I thank you for your hard work, your dedication and commitment to our community.**

**Have a safe and Happy New Year.**

SOCIAL NETWORKING, PRIVACY, PUBLIC DEMEANOR, INFORMATION REQUESTS,  
PUBLIC ENGAGEMENTS

Purpose: *To maintain the integrity of the Company and provide Members with guidelines for conducting themselves in a professional, courteous manner when dealing with individuals and organizations outside the Company. To ensure all members follow and adhere to the HIPPA laws governing health care confidentiality of information, privacy of sensitive information and the process for requesting information.*

Policy: *A. Public Demeanor*

- 1. Members are cautioned that speech on or off BSBRA time, made pursuant to official duties (professional duties and responsibilities) is not protected speech under the First Amendment. In accordance with established case law, negative comments on the internal operations of the Company, or specific conduct of supervisors or peers that impacts the public perception of the Company is not protected First Amendment speech and may form the basis for discipline if deemed detrimental to the Company.*
- 2. Members shall not post, transmit or otherwise disseminate any information to which they have access as a result of their membership with BSBRA without permission from the Chief.*
- 3. The personal conduct of each Member is the primary factor in promoting public trust, relations and respect. In the discharge of their duties, Members should be courteous, firm, patient, and exercise common sense. Members shall perform their duties in an efficient, professional, honest and businesslike manner.*
- 4. Chiefs, Board of Directors and Officers shall lead by example and shall instruct subordinates in proper conduct and demeanor in dealing with the public.*
- 5. Members shall avoid behavior that may result in adverse criticism of themselves and BSBRA. A Member's conduct, whether on, or off the ambulance, property, time, shall merit the confidence and respect of everyone with whom they come in contact.*

**Bay Shore Brightwaters Rescue Ambulance, Inc.**  
Anti-Harassment/Anti-Discrimination, Anti-Retaliation Policy  
Effective: December, 2016

Bay Shore Brightwaters Rescue Ambulance is committed to providing a volunteer and work environment free from harassment or discrimination, where all individuals are treated with respect and dignity. To achieve this goal, we must treat each other and workers with whom we share space in a professional and respectful manor. Every individual has the right to volunteer and working an atmosphere that promotes equal opportunity and prohibits discriminatory practices of any kind, including harassment. It is important for every member and employee to understand that our agency has a zero tolerance for harassment or discrimination based on sex, race, creed, color, religion, gender, national origin, marital status, sexual orientation, age, veteran status, disability or any other characteristic protected by law.

Just as we are committed to providing and volunteer environment or workplace that is free from harassment/discrimination, we prohibit harassment against a patient, vendor, or anyone else who does business or interacts with our agency. Like your fellow members, and employees, members of the public should be treated politely and should not be subjected to harassment or discrimination (such as the denial of service).

**A. Examples of Prohibited Behavior**

1. **Sexual Harassment:** While it is difficult to define sexual harassment, it certainly includes, but is not limited to, unwanted sexual advances or requests for sexual favors, sexual jokes and innuendo; verbal abuse of sexual nature; commentary about an individual body, sexual prowess or sexual deficiencies, leering; catcalling' touching' ;insulting or obscene comments or gestures; displays or circulation in the workplace of sexually suggestive objects or pictures (including emails) and, other physical, verbal, or visual conduct of a sexual nature. This policy also prohibits harassment not involving sexual activity or language, such as behavior aimed at an individual simply because of his sex.
2. **Harassment or Discrimination Based on Any Other Protected Characteristic** also is prohibited. We prohibit harassment or discrimination, both verbal and physical, that denigrated or shows hostility or aversion towards an individual because of his/her race, creed, color, religion, gender, national origin, marital status, sexual orientation, age, veteran status, disability or any other characteristic protected by law. We will not permit conduct that was the purpose or effect of creating an intimidating, hostile or offensive volunteer or work environment; which has the purpose or effect of unreasonably interfering with an individual's work performance, or which otherwise adversely affect an individual's employment opportunity or, if a member of the public, which adversely affects their use of our services or interactions with us.

Per County Resolution #968-1997, there will be an additional \$25 fee added to the cost of the course for any checks returned with notice of "insufficient funds." **NO SEATS WILL BE HELD UNLESS FULL PAYMENT IS RECEIVED.**

**Please note:** Forms will be returned if **incomplete**, illegible, or if the course is full or canceled. **No seats will be held unless the registration process is complete.** You will receive a confirmation email. Please make sure you include your email address in the box below. If you do not have an email address, please make sure your mailing address is listed on the check. You will receive a confirmation letter in the mail. Enrollment is first come, first served.

Please be advised, the Suffolk County EMS Division will be handing out thumb drives with all of the New York State and Suffolk County policies, protocols and various other vital information.
